

JOHN LONGSDEN

SHOWING CLINIC

Park Farm Livery, Castle Ashby

Sunday 19th April

John has a wealth of experience in the world of Equestrian Showing. As well as judging at last year's RFRC Summer Show, he has judged at many major venues during his career including Horse of the Year Show. If you enjoy showing, find out what a top class showing judge is looking for and how to make the most of your time in the show ring.

John will work with a group of 6-8 riders/in hand leaders. He will give 10 minutes individual time to each participant to discuss methods of showing a horse/pony to its best. You will then come together to practise these skills and complete a 'showing class' after which he will again discuss individual performance.
