SHOW JUMPING

This is a Team and Individual competition.

Each Team of 4 are required to jump 2 rounds.

If, however, more than 2 team members are eliminated in the first round, the entire team will be eliminated and cannot jump in the second round. Team members may still complete the next round but as an individual competitor.

A jump off will only be required if, after both rounds, 2 or more teams are on the same score. In this case, the tied teams only will be required to complete a jump off course.
