Senior Novice dressage teams ride the same test at Prelim level. The Senior Open dressage team members will ride three Novice level tests and one Elementary. Two members of the Junior team will ride one prelim test, and the other two will ride a novice test. All riders in teams are automatically counted as individuals, although individuals can enter the competition as well. For Riding Test teams, all Juniors will ride BRC RT 11, but Senior Teams 2 ride BRC RT 11 and 2 ride BRC RT 13.

Individual entries can also be made, except at prelim level, for those people who would prefer not to have the pressure of competing in a team. Alternatively, at Novice Test level individuals are able to enter as part of a team as well as an individual if completing a different Novice test. Medium tests for senior individuals only.

This year also includes Teams of Four dressage, open to those teams qualified for Senior Open dressage and Junior Team dressage.
