

## AREA SHOW JUMPING

18<sup>TH</sup> JULY 2010

Very Many thanks to everyone who helped at this event. You were all fantastic. Julie Beech provided us all with a lovely lunch (thank you Julie) and due to low entries we all had time to sit and eat and have a short break. Very civilised.

Congratulations must go to our riders who all performed magnificently and your turnout of yourselves and your horses is to be congratulated also.

Subject to confirmation from head office, we have a junior novice team and a senior Novice individual qualified. Brilliant. Well done to you, especially as Elaine had only ridden Antonia's horse for the first time a week ago.

We also had some riders who were experiencing their first RFRC Area team event. I really hope you enjoyed your day. Jill West did a brilliant job in looking after you all, so thanks go to Jill as well.
